

4 REASONS WHY...

YOU SAVE AT Ben Cluff's DRIVE-IN DAIRY!

1. PRODUCED ON THE FARM
 Pictured above is a scene from our well-kept, spotlessly clean dairy barn where cows are fed and milked.

2. PROCESSED ON THE FARM
 All Ben Cluff milk is processed right on the farm under the strictest sanitary conditions. Picture shows milk being cooled after pasteurization.

3. BOTTLED ON THE FARM
 This picture shows Ben Cluff milk being bottled by our new sanitary bottling machine. It is then double capped and ready for distribution.

4. SOLD ON THE FARM
 Modern drive-in facility of Ben Cluff dairy in Wilmington—first of its kind in California. Here is where you save on fresh milk and other dairy products.
